

WEDNESDAY 11 DECEMBER 2019**EXHIBITION OPENS****SESSION 1: KEYNOTES**

Opening address and welcome
Beverley Smith, PROSPEX 2019 Chair; PESGB President Elect

The role of exploration in the energy transition
Nick Richardson, Oil & Gas Authority

Unlocking the Glengorm discovery - pressure, patience and persistence
Bas Spaargaren, CNOOC International

Basement transition - key milestones and key challenges that Hurricane has faced in bringing the UK's basement play from conception as a licence application in 2005 to commercial production in 2019 from Lancaster the UK's first ever basement field
Robert Trice, Hurricane

REFRESHMENT BREAK**SESSION 2**

West of Shetland basement play: Focused imaging to reveal the Rona Ridge's potential
Azza Salem, TGS

De-risk West of Shetland Area Exploration using generalized radon transform depth imaging and machine learning methods
Dr Can Yang, Seismic Image Processing

LUNCH**SESSION 3**

An Upper Jurassic stratigraphic trap
Graham Dore, Talon Petroleum (UK) Ltd

The Corallian Portfolio
Dave Gaudoin, Corallian Energy

The Devil's Hole Horst 1967 oil discovery, Quads 27 & 28, West Central Graben - The largest undeveloped discovery in the UKCS
Niels C Arveschoug, North Sea Natural Resources

K2: Huntington's untested NE compartment
Russell Exley, Summit E&P

Geochemical evidence for Jurassic-sourced petroleum in the Devil's Hole Horst oil discovery
Dr Marianne Nuzzo, IGI Ltd

REFRESHMENT BREAK**SESSION 4**

Developing a portfolio of exploration assets in a mature basin
Andrew Nunn, Cluff Natural Resources

A sweet spot in the UK Permian Basin - the Balvenie and Durham prospects
Kees Jongepier, Draupner Energy Ltd

Bridge Petroleum SNS
Jeb Tyrrie, Bridge Petroleum Limited

Undeveloped discoveries: Three farmin opportunities
Martin Smith, Tangram Energy

EVENING RECEPTION**THURSDAY 12 DECEMBER 2019****EXHIBITION OPENS****SESSION 5: KEYNOTES**

Licence stewardship - planning and delivering effective work programmes
Alana Finlayson, Oil & Gas Authority

The key to achieving successful upstream E&P project divestment
Mike Lakin, Envoi

SESSION 6

A sea of opportunity in the Netherlands: Focus on the Dutch Basin
Linda Janssen, EBN B.V.

Exploration opportunities in Poland
Piotr Nowak, Polish Geological Institute - NRI

REFRESHMENT BREAK

Exploration trends and emerging themes for the UK and Norway
TBC, Westwood Global Energy

Rare multi-TCF gas exploration opportunity in an onshore producing basin, Europe
Paul Crevello, SPM Overseas Corporation

Plays of the Eastern flank of the South Porcupine basin
Hugh G Mackay, Europa Oil & Gas

Research activities offshore Ireland
Dr Kara English, Ireland, Petroleum Affairs

Faroe Islands - current status and road ahead
Barbara Biskopstø Hansen, The Faroese Geological Survey

LUNCH**SESSION 7**

E&P opportunities - near & far
Mike Lakin, Envoi

Renewed hydrocarbon prospectivity in the Kura-Kartli Foreland Basin, Onshore Central Georgia
Angelo Ricciato, GEPlan Consulting

New plays in an exploration hotspot: AGC Profond, Senegal and Guinea Bissau
Dr Michael Bourne, CNOOC International

TBC Ngassa, Lake Albert, Uganda
Phillip Slater, Tudor Hall Energy

REFRESHMENT BREAK**SESSION 8**

Reducing exploration risk in the Houtman sub-basin, SW Australia
Felix Anderson, RHUL

Malaysia Opportunities
Dr Rahim Masoudi, Petronas

TBC Newfoundland & Labrador VDR, Petronas - RDR, GeoReality
Zebra Data Sciences

EXHIBITION CLOSURES
