**WEDNESDAY 11 DECEMBER 2019**

**SESSION 1: KEYNOTES**

10.00 Opening address and welcome
Beverley Smith, PROSPEX 2019 Chair; PESGB President Elect

10.10 The role of exploration in the energy transition
Nick Richardson, Oil & Gas Authority

10.30 Unlocking the Glengorm discovery - pressure, patience and persistence
Bas Spaargaren, CNOOC International

10.50 Basement in transition – Lancaster the UK’s first basement field
Robert Trice, Hurricane

**REFRESHMENT BREAK**

11.50 West of Shetland basement play: Focused imaging to reveal the Rona Ridge’s potential
Azza Salem, TGS

12.10 De-risk West of Shetland Area Exploration using generalized radon transform depth imaging and machine learning methods
Dr Can Yang, Seismic Image Processing

12.30 LUNCH

**SESSION 2**

13.20 An Upper Jurassic stratigraphic trap
Graham Doré, Talon Petroleum (UK) Ltd

13.40 The Corallian Portfolio
Dave Gaudoin, Corallian Energy

14.00 The Devil’s Hole Horst 1967 oil discovery, Quads 27 & 28, West Central Graben - The largest undeveloped discovery in the UKCS
Niels C Arveschoug, North Sea Natural Resources

14.20 K2: Huntington’s untested NE compartment
Russell Exley, Summit E&P

14.40 Geochemical evidence for Jurassic-sourced petroleum in the Devil’s Hole Horst oil discovery
Dr Marianne Nuzzo, IGI Ltd

**REFRESHMENT BREAK**

15.30 Developing a portfolio of exploration assets in a mature basin
Andrew Nunn, Cluff Natural Resources

15.50 A sweet spot in the UK Permian Basin - the Balvenie and Durham prospects
Kees Jongepr, Draupner Energy Ltd

16.10 Bridge Petroleum SNS
Jeb Tyrie, Bridge Petroleum Limited

16.30 Undeveloped discoveries: Three farmin opportunities
Martin Smith, Tangram Energy

**EVENING RECEPTION**

---

**THURSDAY 12 DECEMBER 2019**

**SESSION 5: KEYNOTES**

09.00 Licence stewardship - planning and delivering effective work programmes
Alana Finlayson, Oil & Gas Authority

09.20 The key to achieving successful upstream E&P project divestment
Mike Lakin, Envoi

**SESSION 6**

09.40 Opportunities on a Maturing Norwegian Continental Shelf (NCS)
Torgeir Stordal, Norwegian Petroleum Directorate

10.00 A sea of opportunity in the Netherlands: Focus on the Dutch Basin
Linda Janssen, EBN B.V.

**REFRESHMENT BREAK**

10.20 Exploration opportunities in Poland
Piotr Nowak, Polish Geological Institute - NRI

10.40 Exploration trends and emerging themes for the UK and Norway
Alison Harding, Westwood Global Energy

11.00 Rare multi-TCF gas exploration opportunity in an onshore producing basin, Europe
Paul Crevello, SPM Overseas Corporation

11.20 Plays of the Eastern flank of the South Porcupine basin
Hugh G Mackay, Europa Oil & Gas

11.40 Research activities offshore Ireland
Dr. Cara English, Ireland, Petroleum Affairs

12.00 Faroe Islands - current status and road ahead
Barbara Biskopste Hansen, The Faroese Geological Survey

**LUNCH**

---

**SESSION 7**

13.20 E&P opportunities - near & far
Mike Lakin, Envoi

13.40 Renewed hydrocarbon prospectivity in the Kura-Kartli Foreland Basin, Onshore Central Georgia
Angelo Ricciato, Geoprospect Consulting

14.00 New plays in an exploration hotspot: AGC Profond, Senegal and Guinea Bissau
Dr Michael Bourne, CNOOC International

14.20 Latvia E-17
Thomas Haselton, Odin Energi Latvia

**REFRESHMENT BREAK**

15.00

**SESSION 8**

15.50 Reducing exploration risk in the Houtman sub-basin, SW Australia
Felix Anderson, RHUL

16.10 The 2020 Malaysia Bidding Round - Opportunities in Exploration and Discovered Resources
Dr Rahim Masoudi, Petronas

16.30 IGTI (Intelligent Geological Target Identification) driven Prospect evaluation of a Frontier Block in Croatia
Dr. Deepi Blht, CGC - Geoprospect

16.50 The RAK Gas Portfolio: Middle East and East Africa assets
Dr. Giacomo Fipora, RAK Gas L.L.C
